Dear Izaak Walton Family,

Continuing in 2025, the following types of memberships will be required to complete 5 hours of "work" at the club per calendar year:

- Senior, Senior Citizen, Life and Board Members

There will also be a "buy-out" option of \$35 per year if you feel you cannot complete the work requirements. You would contact the President, Jay Horvath, to discuss the buy-out option at 610-573-6509.

Lastly, you may have another member complete and donate an additional 5 hours towards your requirement. If you are doing this I need to be told by the person donating the hours that they would like to give them to you.

You may do one or more of the following to earn credit towards your 5 hours:

- ½ hour credit for each monthly meeting attended (1st Monday of the month at 7:30pm)
- 1 hour credit for each new member referred to club, make sure to put referred by and your name on their application.
- Work parties (Wednesday and Sunday parties)
- Club Events (kitchen help, collecting money, etc)
- Cleaning clubhouse
- Glue/build targets
- Cut grass/Weedwacking/Weeding outside beds
- Painting signs/railings/porches/doors
- Assisting with leagues or any other club business
- Any other club needs that may arise during the year
- If you have a specialty please let us know and we can work with you.
- Sitting at the table signing shooters in on a Thursday

If you want to sign up ahead of time for a certain date please let us know and we can help you with that. The Board will reevaluate membership requirements periodically throughout the year.

We appreciate your understanding in this matter. By having our members assist at the club, it will help reduce our out of pocket expenses for repairs and assist us in putting any additional funds received towards making improvements to the facilities. Also, by increasing our attendance at the monthly meetings, our members will help us make importance decisions and come up with additional ideas to any problems that may arise. We are always willing to listen and take our members suggestions into consideration. We look forward to seeing you all in the upcoming year and appreciate your help in helping us keep the doors open to service your fishing and archery needs.

Sincerely,

The Izaak Walton Board Members

Dear Izaak Walton Family,

Due to the increasing costs of postage and printing, as well as the postal service losing mailings to and from the club, in accordance with the bylaws the club will no longer be mailing out renewals or cards. Renewals can be picked up at the club or printed from the website.

Cards may be picked up in person, or a self-addressed postage paid envelope can be provided for the card.

Cards can be picked up:

- At any monthly work party between noon and 2pm
- At any Thursday 3D shoot between 2pm and 7pm
- At any monthly membership meeting between 6pm and 7pm

Thanks for your understanding,

Izaak Walton Board of Directors
